## Education

### Engineering Degree – Mining and Quarrying

2023 - Present

National Polytechnic Institute Félix Houphouët-Boigny (INP-HB), Yamoussoukro

- Currently in Year 3 (final year)

## Professional & Extracurricular Experience

### Fieldwork – Mineral Prospecting

Jun 2025 - Jun 2025

ORDIC MINING GROUP (INP-HB Collaboration), Yamoussoukro

- Participated in alluvial gold exploration: shaft digging, gravel collection and washing, grade estimation, and submission for mining operations.
- Soil geochemistry sampling: grid design, sample collection, and submission for laboratory analysis.

### On-Site Geophysics Practical Fieldwork

May 2025 - May 2025

INP-HB, Yamoussoukro

- Applied magnetic and electrical profiling methods (magnetometry, electric traverses) to survey layons.
- Analyzed and interpreted data, leading to the discovery of a quartz vein.

### Basketball Coach

Dec 2023 - Jun 2025

School of Mines and Geology, INP-HB, Yamoussoukro

- Head coach for two competitive seasons; led the team to consecutive championships.
- Fostered personal growth, discipline, and team spirit among players.
- Developed strong leadership, strategic planning, and communication skills through coaching.

### Youth Volunteers Lead

Apr 2024 - Present

American Spaces, Yamoussoukro

- Lead a team of ambitious English learners supporting the U.S. Embassy's cultural and educational programs.
- Organize and animate weekly English club sessions to help INP-HB students improve their language skills.
- Strengthened public speaking, event coordination, and team leadership capabilities.

### Language Immersion Program Participant

Jul 2024 - Aug 2024

Chenan Africa, Koforidua, Ghana

- Intensive English courses and cultural exchange program.
- Enhanced language proficiency and gained insight into Ghanaian culture and society.

### Member – Fanta Cissé Ambassador Cohort (ECOWAS Program)

Apr 2025 - Present

ECOWAS

- Selected to join a leadership and personal development cohort under the patronage of ECOWAS Ambassador Fanta Cissé.
